

# EL CROQUIS digital library

This service grants access to El Croquis Archive –from the year 2001, issue 104 onwards– and to those issues published during the period in which the institution is subscribed to this service.

This Digital Library works within the IP address range of the institution. Every issue may be accessed from any device connected to the institution's network. The institution shall provide El Croquis with its IP addresses.

The service is annual and shall be renewed for periods of 1 year.

The service works with a concurrent license system. The institution may choose 1, 5, 10 or unlimited licenses. Each of these licenses grants access to 1 concurrent user to the archive of El Croquis.

The service works on computers, tablets and iPad, iPhone and other mobile devices.

Remote Access: the purchase of 10 or more licenses include off–campus access through user and password.
